

ELEVATE

YOUR PRACTICE

ASPEN LASER

A C H I E V I N G

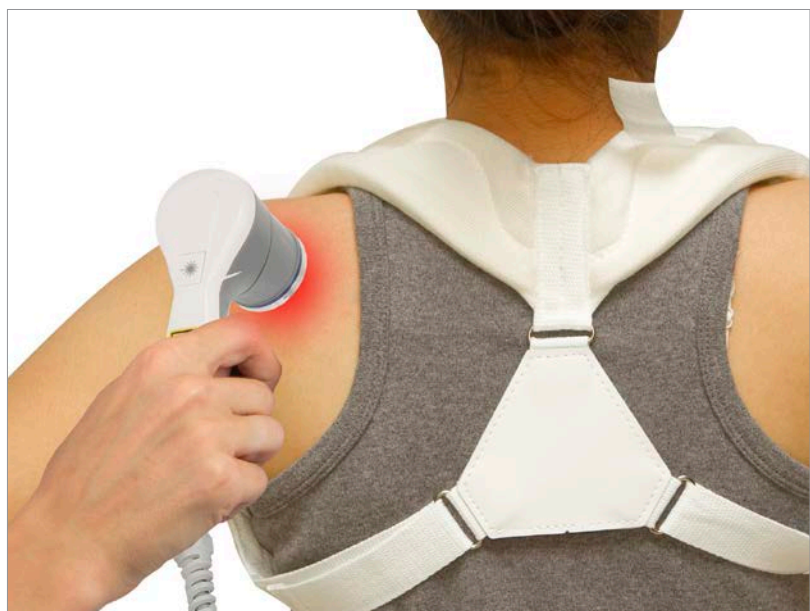

NEW HEIGHTS

BETTER SCIENCE. BETTER ENGINEERING. BETTER RESULTS.

Elevate your practice to the next level with Aspen Laser Systems' powerful line of therapeutic laser therapy systems. Meticulously engineered to provide a broad range of applications, our Summit and Pinnacle Laser Systems represent the height of laser therapy technology. These cutting-edge systems are backed by years of extensive clinical studies and have been proven to be effective in treating virtually all regions of the body. Available in a wide range of power levels, from a 15-watt single wave system to a 30-watt true dual system, we've got a solution that will fit both your needs and your budget.

ASPEN LASER

AS AN INDUSTRY LEADER FOR THE PAST 30 YEARS, ASPEN LASER SYSTEMS REMAINS ON THE CUTTING EDGE OF PHOTOMEDICINE, PAVING THE WAY TO BETTER SCIENCE, IMPROVED CLINICAL OUTCOMES, AND HEALTHIER LIVES.

SUMMIT LASER SYSTEM

**20-WATT TRUE
DUAL SYSTEM**

**20-WATT
SINGLE SYSTEM**

**15-WATT
SINGLE SYSTEM**

POWERFUL PORTABILITY

Although lightweight and nimble, the Summit Laser System packs a powerful punch. Available at three power levels, including our 20-watt true dual system, the Summit is ideal for smaller applications where portability and conservation of space are priorities.

ACCESSORIES...

ALL STANDARD:

- Ergonomic Therapy Handpiece
- Rolling Pedestal Cart
- Four Pairs of Safety Goggles
- Mobile Carrying Case
- Startup Interlock
- 6-foot Power Cord
- Detailed User Manual

TECHNICAL HIGHLIGHTS

LASER TYPE	▶ GaAIAs DIODE LASER
WAVELENGTH, LASER	▶ 980nm and 810nm
MAXIMUM POWER	▶ 20 WATTS
CONTROL MODE	▶ COLOR TOUCH SCREEN
VOLTAGE/CURRENT	▶ 110/220 VAC, 5A, 50/60Hz
DIMENSIONS	▶ cm: 21.5W x 24.5L x 31.5H
WEIGHT	▶ 9 LBS (4 KG)

For detailed technical specifications, please visit

PERFORMANCE

PARTNERSHIP

THIS IS THE START OF SOMETHING SPECIAL.

When you make the decision to invest in either the Summit or the Pinnacle Laser System — or both — you're investing in success. Our **Performance Partnership Program** is designed to maximize results ... not only for your patients or clients, but for your bottom line. Just as we stand behind our innovative products, we also stand behind your success.

Simply by purchasing one of our products, you automatically become a **Performance Partner**, which entitles you to benefits such as:

- **Our 180-Day ROI Program**
- **Our 5-Year Warranty**
- **On-Site Training**
- **On-Site Open House Program**
- **Lease-To-Own Options**
- **Trade-In and Upgrade Programs**

In addition to these special perks, our Performance Partners also receive a full array of promotional, marketing and operational resources designed to “kick-start” your laser therapy program and ensure the success of your business or practice.

These resources are FULLY CUSTOMIZED to incorporate your logo, name and color scheme. Among the items you'll receive are:

- **250 Info Cards and 250 Referral Cards**
- **100 Patient Education Flyers**
- **3 Laser Therapy Posters**
- **A Pop-Up Display Banner**
- **Client/Patient Welcome Packet**
- **Laser Therapy Treatment Guidebook**
- **Laser Therapy Safety Guide**
- **Training Certificate**

AT A GLANCE: ASPEN PRODUCT FEATURES

HIGH-QUALITY LASER DIODE TECHNOLOGY

Precision German engineering is at the heart of our laser systems.

MAXIMUM RANGE OF POWER LEVELS

Multiple power levels (in watts) available in different power configurations.

OPTIMAL THERAPEUTIC WAVELENGTHS

More wavelengths means better outcomes.

TOUCH SCREEN WITH INTUITIVE INTERFACE

A fast color touch screen and intuitive interface translates to smooth operation.

CHOICE OF OPERATING MODES

Choice of operating modes provides unlimited treatment options.

HEAVY-DUTY LASER UNIT DESIGN

Rugged but elegant, our systems are built to last.

ERGONOMIC TREATMENT HANDPIECE

Designed for comfort, our handpieces minimize stress and maximize coverage.

MAXIMUM TREATMENT BEAM SIZE

A large 30 mm diameter treatment beam allows for treatment of large areas of the body.

FIBER OPTIC BEAM TRANSMISSION

A fiber optic cable provides maximum flexibility and overall durability.

MAXIMUM ENERGY LASER TREATMENT

Simply stated, Aspen Laser Systems deliver more energy than other therapy lasers.

For detailed product features, please visit AspenLasers.com

The Summit and Pinnacle Laser Systems are registered as Class IV devices with the FDA.

Class IV intended uses:

- Temporary relief of minor muscle and joint pain
- Temporary relief of muscle spasms
- Temporary relief of pain and stiffness associated with minor arthritis
- Promoting relaxation of muscle tissue
- Temporary increase in local blood circulation

FDA 510K clearances for:

- Relief of pain and inflammation
- Toenail fungus
